Re: Transmittal of Report on Recovery Well RW-5  
CPS Chemical Company, Inc.  
Old Bridge, New Jersey  
DRAI Job No. 91C907

Dear Mr. Schwartz:

As requested by Schwartz, Tobia & Stanziale, Dan Raviv Associates, Inc. (DRAI) has completed the report entitled "Assessment of the Need for Continued Operation of Well RW-5 as Part of the Ground Water Recovery Program". This report is based on records of water quality data and transport model simulations for predicting future chlorobenzene migration.

If you have any questions or need additional information, please call.

Very truly yours,
